However, the NSEDC Member Representative election is not a municipal office and it will have a separate ballot. Voters do not need to be qualified to vote in the City's elections to be eligible to vote in the NSEDC election. Any registered voter who resides in a state election precinct that encompasses the member community, even if they live outside the community's municipal limits is eligible to vote in the NSEDC Member Representative election. To check if you are registered to vote, visit the Alaska Division of Elections site: <https://myvoterinformation.alaska.gov/>

NSEDC Eligibility and Minimum Vote Requirements:

Candidate Eligibility: To be eligible as a candidate, an applicant:

- Must be a "resident fisherman" of the community she or he wishes to represent, which is an individual with recent (within 10 years prior to the election), documented commercial or subsistence fishing activity who is a registered voter residing within the state precinct boundaries encompassing the member community, where the applicant maintains a mailing address and permanent domicile and is eligible to receive an Alaska Permanent Fund Dividend, and where the individual has resided for at least (1) year immediately prior to the election.
- May not be currently employed by NSEDC in a regular position; and
- Must have "good moral character," which means that an individual:
 - is eligible for election as set forth in Article Five, Section 6; (see candidacy packet for more information)
 - has a history free of any felony convictions, including guilty pleas or pleas of nolo contendere, within the last 10 years; and
 - is able to pass a drug screen test, prior to the election and annually, which is administered in accordance with NSEDC's employee drug and alcohol testing policies.

To determine eligibility, each applicant must complete a "Member Representative" Candidacy Statement and consent to a background check and drug test. You may pick up a Candidacy Packet with these forms and more information from the city office or from the NSEDC Liaison. Packets will be available on August 13, 2021.

Minimum Vote: The candidate receiving the highest number of votes and over 40% of the total votes cast shall be the elected NSEDC Member Representative.
