During the period from your organization's receipt of this Request for Proposals and until a contract is awarded, your organization shall not contact any employee of NEC for additional information except in writing directed to Emma Pate at emma.pate@necalaska.org

VI. QUESTIONS.

Questions for the purpose of clarifying the RFP must be submitted in writing by email and must be received no later than **5:00 PM, August 26, 2025**. Questions must be emailed to Emma Pate at emma.pate@necalaska.org. Questions and responses will be posted as an "Addendum to the Nome Eskimo Community RFP for Legal Services" on the NEC website www.necalaska.org by **5:00 PM, September 2, 2025**. Please note that submissions of questions for response do not in any way enhance or guarantee the chances of receiving a contract through this proposal.

VII. GENERAL INFORMATION.

A. **Contract Award**

NEC reserves the right to award the contract in a manner deemed to be in the best interests of NEC.

B. **Stability of Proposed Prices**

Any price offerings from Proposers must be valid for a period of 30 days from the due date of the proposals.

C. **Amendment or Cancellation of the RFP**

NEC reserves the right to cancel, amend, modify, or otherwise change this RFP at any time if it deems it to be in the best interests of NEC.

D. **Proposal Modifications**

No additions or changes to any proposal will be allowed after the proposal due date, unless such modification is specifically requested by NEC. NEC, at its option, may seek Proposer retraction and clarification of any discrepancy or contradiction found during its review of proposals.

E. **Proposer Presentation of Supporting Evidence**

Proposers must be prepared to provide any evidence of experience, performance, ability, and/or financial surety that NEC deems necessary or

appropriate to fully establish the performance capabilities represented in their proposals.

F. **Proposer Demonstration of Proposed Services and/or Products**

Proposers must be able to confirm their ability to provide all proposed services.

G. **Erroneous Awards**

NEC reserves the right to correct inaccurate awards. This includes revoking the awarding of a contract to a Proposer and subsequently awarding the contract to a different Proposer. Such action shall not constitute a breach of contract on the part of NEC because the contract with the initial Proposer will be deemed voided as if no contract were ever in place.

H. **Ownership of Proposals**

All proposals shall become the property of NEC and will not be returned.

I. **Ownership of Subsequent Products**

Any product, whether acceptable or unacceptable, developed under a contract awarded as a result of this RFP shall be the sole property of NEC unless otherwise stated in the contract.

J. **Oral Agreement or Arrangements**

Any alleged oral agreements or arrangements made by Proposers with NEC will be disregarded in any proposal evaluation or associated award.

K. **Not a Contract**

This NEC is not a contract and, alone, shall not be interpreted as such. Rather, this RFP serves only as the instrument through which proposals are solicited. NEC will pursue negotiations with the highest scoring proposal. If, for some reason, NEC and the initial Proposer fail to reach consensus on the issues relative to a contract, then NEC may commence contract negotiations with other Proposers. NEC may decide at any time to start the RFP process again. The selected Proposer will be required to sign a formal contract.

L. **Subcontractors**

NEC must approve any and all subcontractors utilized by the successful Proposer prior to any such subcontractor commencing any work. Proposers acknowledge by the act of submitting a proposal that any work provided under the contract is work conducted on behalf of NEC and that the NEC Executive Director or designee may communicate directly with any subcontractor as NEC deems necessary or appropriate. It is also understood that the successful Proposer shall be responsible for all payment of fees charged by the subcontractor(s). A performance evaluation of any subcontractor shall be provided promptly by the successful Proposer to NEC upon request. The successful Proposer must provide the majority of services described in the specifications.
